

Marine team

At DWF, our global Marine team boasts unparalleled global expertise and extensive international coverage, ensuring that we are well-positioned to meet the diverse needs of our clients across the world.

Our team comprises highly skilled professionals from around the world, including partners, legal directors, senior associates, associates, and trainees, who bring a wealth of experience in handling complex marine insurance claims and disputes. We are dedicated to providing pragmatic, straightforward,

and commercial advice, ensuring that our clients receive the highest level of service and support. With a strong international presence and a deep understanding of the marine industry, we are committed to delivering exceptional results for our clients worldwide.
